\* Durapol® material is a polymer formulated to withstand extremes of temperature and is impact-tested in our Quality Assurance Laboratory as part of our BS EN ISO 9001:2008 test procedure. Durapol® material will not chip or rust, is easy to clean and never needs painting.

\*\* Duratec™ material has been specially created for use in internal environments. In addition to its attractive appearance it offers a blend of toughness, rigidity and dimensional stability.
