

Mobile Basket Buddy™

A stylish, portable basket housing designed to help increase retail sales and profit.

www.glasdon.com

Mobile Basket Buddy™ has been specially designed to encourage customers to use a basket. Research has shown that when a customer takes a basket, they are more likely to impulse buy.

MOBILE BASKET BUDDY OFFERS MANY BENEFITS:

SPACE-SAVING

The 'footprint' of MOBILE BASKET BUDDY takes up minimum floor space and provides a self-service feature, making it easier to grab and lift the basket handles.

HIGHLY DURABLE WITH MINIMUM MAINTENANCE

MOBILE BASKET BUDDY is manufactured in self-coloured Durapol® material with a smooth, easy-to-clean surface that will retain an attractive appearance.

HIGHLY VISIBLE

MOBILE BASKET BUDDY has a highly visible shape which provides a clearly defined stacking bay for basket storage that encourages customers to use the baskets. It is supplied in a range of colours (see back page for more details).

EXCELLENT STABILITY

MOBILE BASKET BUDDY'S base is designed for excellent stability and it will accommodate large and small basket sizes. The unit takes plastic or wire baskets and features an integrally moulded 'MAX' mark to indicate the recommended maximum height of baskets.

UNITS CAN BE SITED BACK TO BACK

For particular areas where basket usage is high or needs to be encouraged.

Unique Basket Grip™

For added basket retention our new unique **BASKET GRIP** holds wire baskets firmly in place when moving **MOBILE BASKET BUDDY**. Attached to a stainless steel rod on the spine of the basket housing, the **BASKET GRIP** clips onto a wire basket, holding the baskets safely and securely. (A Basket Grip extension strap is supplied for use with plastic baskets.)

SAFE AND SECURE

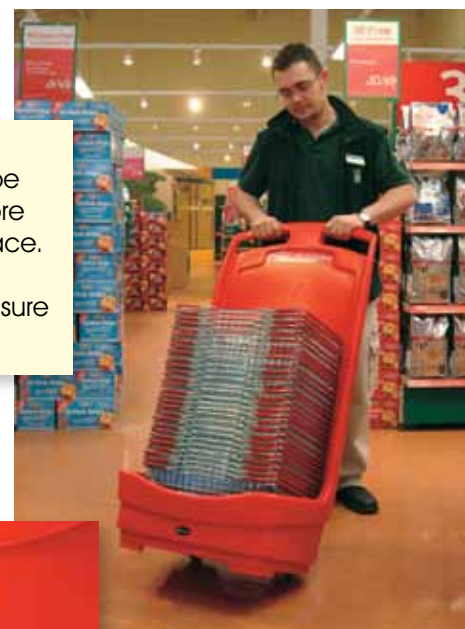

HELPS REDUCE THE RISK OF BACK INJURY

Easy to Move

MOBILE BASKET BUDDY is easy to move and can be relocated around the store with the baskets still in place. The integral handles on **MOBILE BASKET BUDDY** ensure easy manoeuvrability.

MOBILE BASKET BUDDY has two rear-mounted wheels, making it easy to manoeuvre by simply tilting the unit back, without the risk of baskets falling out.

PERSONALISATION

MOBILE BASKET BUDDY has a large area which can be personalised with your Organisation's name, message or logo and can be supplied in your corporate colours.
