

FOCUS ON
FAST FOOD

FOOD WASTE RECYCLING BINS

Our Food Waste Recycling Bins are ideal for kitchens, canteens, food courts and any other areas where food is prepared or consumed. The easy to use bins make food waste disposal hygienic and efficient and they are a good way of handling high volumes of food waste.

CUSTOMER LED PROJECTS & PERSONALISATION

We offer a free, in-house personalisation service to help you visualise how your product will look with your corporate identity.

Choose from a wide range of products and personalisation options including:

Litter Bins & Recycling Bins - Branding, corporate colour schemes, bespoke waste streams, campaign messaging and changeable poster kits.

Water Safety Equipment - Local emergency and identification details, branding.

Bollards - Branding, colour co-ordination, cycle and pedestrian route markers, plaques.

Enevo® Ready Bins

An optional extra on numerous Glasdon bins, Enevo® **ENEVO READY** is an ultrasonic monitoring device which provides real-time fill-level information. This optimises waste collection schedules, cuts costs and reduces CO2 emissions. The software also detects fire or vandalism to the bins.

Please contact our sales office or visit our website for further information.
