

ORION™

Storage Unit

ORION™ Storage Unit

Store and display
low maintenance
increase retail sale

Large Display Area

Encourages customers to buy and provides easy access to the goods.

Robust Construction

Manufactured from tough, corrosion resistant Durapol®* material, offering exceptional strength and a long service life.

Slimline Design

Can be sited in front of shops or behind bollards without causing an obstruction.

User-friendly Height

Products can be seen from a vehicle window and are easy to reach. Will not obscure the cashier's view of the forecourt.

products in style! A robust, unit designed to help es and profit.

Cover or Shutter Options

Keep contents safe and secure.

Low Maintenance

Smooth contours ensure there are no dirt traps, allowing easy cleaning.

- Large handles for opening and closing the unit.
- Space-saving slide away cover.
- Flat top offers more space to display products.
- Side handles for ease of siting the unit.
- Personalisation areas to promote your company and products to help maximise sales.

Available with a Rollatec™** material cover or a Vandalex®# material shutter

Rollatec cover

Provides weather protection and hides contents from view. Slats are corrosion-free and require minimal maintenance.

Vandalex shutter

Provides extra security in areas where there is a high risk of vandalism.

Orion is also available without a cover or shutter

OPTIONAL EXTRAS

Robust Shelf

Supported by a durable Vandalex® material leg, the shelf allows more products to be stacked at an easy to reach height.

A4 Personalisation Stands

Posters can be easily changed, providing a cost-effective way of advertising your products or promoting your company.

Stainless Steel Hasp & Staple Lock (x 2)

Secures the unit when the shop is closed. Neatly stows away when the unit is open.

We are grateful for the kind help given by Euro Garages Ltd, Westholme site, Preston in the production of this leaflet.

*Durapol® material is a polymer formulated to withstand extremes of temperature and is impact-tested in our Quality Assurance Laboratory as part of our BS EN ISO 9001:2008 test procedure. Durapol will not chip or rust, is easy to clean and never needs painting.

**Rollatec™ polymer is formulated to offer weather resistance and maintenance free use. It will not rust, is easy to clean and never needs painting.

#Vandalex® material is an aluminium alloy engineered to produce a high modulus of elasticity, which offers increased impact absorption properties. Its anodised finish will not rust, is easy to clean and never needs painting.

**Armortec® corrosion resistant coating is specially formulated to extend the life of Glasdon metal products and components used externally.
