Metal Litter Bins

Metal Chieftain™ Litter Bin

With an Armortec® coating for outstanding durability, Metal Chieftain is an extremely robust litter bin.

Electra™ Litter Bin

This contemporary litter bin combines strength and functionality with style and good looks.

Smart waste technology available on a selection of our products. Please see back page for further information.

www.glasdon.com

NEW Centrum™ Litter Bin

An elegant, heavy duty stainless steel litter bin with a smooth, modern design.

Polymer Litter Bins

Glasdon Jubilee™ Litter Bin

A strong and robust
traditional litter bin with many
exceptional features.

Reduced aperture
bins also available

Brunel™ Litter Bin

Brunel litter bin is constructed from tough Duracore™ material, making it incredibly rigid and hard wearing.

Topsy Royale™ Litter Bin

A traditionally styled litter bin that will enhance any environment.

Litter Collection

Litta-Pikka™ Collection Tool

Litta-Pikka has been purpose-designed for strength, durability, and ease of use.

Space-Liner™ Orderly Barrow

Ideal for use around your shopping centre to collect litter. The Space-Liner orderly barrow is available as a single or double model.

Poster Display Signs

Advocate™ Poster Display Sign

Display your posters in style with this extremely robust, low maintenance, easy to use unit.

Food Waste Bins

Combo Delta™ Waste Bin

The wide funnel aperture and target graphic encourages use and helps guide waste into the bin.

Combo™ Food Waste Bin

Combo is a multi-purpose food waste bin with a large 140 litre capacity.

Nexus® Shuttle Food Waste Bin

Nexus Shuttle is the ultimate dedicated food waste bin, perfect for kitchens and canteens and any other areas where food is prepared.

Recycling Bins

Eco Nexus® Recycling Bin

The economical Eco Nexus recycling bins are available as a 60 litre or 85 litre capacity unit. Units take up minimal space, which allows flexibility of siting.

Nexus® 100 Recycling Bin

Our best-selling Nexus 100 is the perfect solution for your recycling needs. Nexus 100 has a sleek design and collects large amounts of recyclables without taking up valuable floor space.

NEW Electra™ Recycling Units

This stylish and modern range of recycling units is available in several capacity combinations from 60 litres to 170 litres.

Nexus® 200 Recycling Bin

A contemporary styled twin-liner recycling bin with a curved hood to prevent littering on top of the bin.

C-Thru™ 180 Trio Recycling Bin

C-Thru 180 Trio contains three segregated recycling streams in a single large capacity unit. The clear body and graphics ensure correct usage.

Smoking Control

Ashmount SG® Cigarette Bin

Ashmount SG features the unique SmokeGuard® smoke dampening device, and has a 3 litre capacity which will hold up to 1,050 cigarette butts.

Integro™ Cigarette & Litter Bin

Integro is a litter and cigarette waste bin, with a slim and modern design.

Seating

Alturo™ Seat

Stylish and durable seating that requires minimum maintenance, with a choice of 4 colour schemes.

Fusion™ Seat

A strong and durable seating range available in a stylish Black and Silver finish or a realistic timber-effect finish.

Shelters & Kiosks

Modus™ Shelter

Ideal for where space and budgets are limited.
Suitable for a variety of applications.

Genesis™ Kiosk

The Genesis kiosks are a range of stylish buildings,
which are available off the shelf for quick delivery.

Bollards

Neopolitan™ 20 Bollard

A contemporary styled bollard for modern environments with two 20mm banding recesses.

Enevo® Ready Bins

ENEVO READY

An optional extra on numerous Glasdon bins, Enevo® is an ultrasonic monitoring device which provides real-time fill-level information. This optimises waste collection schedules, cuts costs and reduces CO2 emissions. The software also detects fire or vandalism to the bins.

Please contact our sales office or visit our website for further information.
