PAPER CUP RECYCLING BINS AND STATIONS

The Glasdon Cup Recycling Bin range has been designed to help you implement an efficient cup recycling programme and increase your paper cup recycling rates. Choose from our selection of specifically designed cup bins and cup recycling stations which feature liquid reservoirs and separate compartments for cups and lids.

Estimated
2.5 billion
disposable cups
are used in the
UK each year

When disposed of
in a dedicated
container
paper cups
can be
recycled

Facts and Stats*

52% of people
dispose of their
coffee cup at work

88% of the nation
would use a purpose
built coffee cup bin if
one was available

Enevo® Ready Bins

ENEVO READY

An optional extra on numerous Glasdon bins, Enevo® is an ultrasonic monitoring device which provides real-time fill-level information. This optimises waste collection schedules, cuts costs and reduces CO2 emissions. The software also detects fire or vandalism to the bins.

Please contact our sales office or visit our website for further information.
