OUTDOOR RECYCLING BINS

We produce an extensive range of outdoor recycling bins of the highest quality in both traditional and contemporary designs. All of our recycling containers are designed to be hard-wearing and long-lasting and feature easily identifiable graphics to make recycling easy.

Nexus® Evolution City Duo Recycling Bin

Nexus® Evolution City Recycling Bins

Nexus Evolution City is a versatile solution for outdoor recycling in public environments.

Entirely customisable from aperture colour to waste stream, graphics are easily applied onto either of the large sides for added personalisation. A narrow footprint ensures minimal floor space is required, whilst the symmetrical design allows the product to be approached from all sides in open spaces.
