OUTDOOR LITTER BINS

We are able to personalise our litter bins by adding your logo or image to many of our products. By using high-quality materials, Glasdon outdoor bins are ideal for managing general waste to provide litter solutions for a variety of external applications.

Restricted Aperture Outdoor Litter Bins

Glasdon supply and manufacture a wide selection of quality outdoor litter bins with reduced-size apertures.

These smaller apertures prevent large sacks of waste from being deposited, thereby encouraging the correct use of the bin and reducing unnecessary waste disposal costs.

New Gateway Solution Offers a Warm Welcome

Offering advanced personalisation and high visibility, the new Orbital™ Gateway Sign, designed and manufactured by Glasdon, is a state-of-the-art roadside sign that's ideal for welcoming visitors, alerting road users to changes in speed limits, and highlighting county, town and village boundaries.

A long-lasting and versatile alternative to traditional wooden signage and gateway solutions, the all-in-one Orbital Gateway Sign unit has space for up to 3 personalised signs offering optimal visual impact and signposting for road users and pedestrians.

As a complete all-in-one unit the Orbital Gateway Sign is also ready for immediate installation.

This new contemporary gateway solution extends the original Glasdon Gateway range, providing an alternative design, choice of colours, materials and fixing methods.

Manufactured from high performance polymers, the Orbital Gateway Sign is unmatched for strength and structural integrity. In Durapol® material, the Gateway is ultra-strong and offers durability like no other material.
